Stan Fans:

As you know there is an ongoing trend toward using electronic means via the Internet instead of the U. S. Postal Service for correspondence transmissions. We are attempting to determine if such a changeover would be workable for our mailing list customers without harming service in any way. As a first step, we ask that everyone with an email address visit [tantaraproductions.com/contact.htm](http://tantaraproductions.com/contact.htm) and enter your name and email information. Thanks much for your anticipated cooperation.
